**O R D E R**

Pursuant to the orders of this court, the United States filed a supplemental response (Doc. No. 15) addressing the claims presented by the petitioner in an amendment to his 28 U.S.C. § 2255 motion. In its response, the government contends that the petitioner's amended motion was filed outside the applicable one-year limitation period and that his new claims are therefore time-barred. In addition, the government argues that these new claims lack merit. Accordingly, it is

ORDERED that on or before December 10, 2007, the petitioner may file a reply to the supplemental response filed by the United States.

Done this 19<sup>th</sup> day of November, 2007.
